

LIONEL and AMERICAN FLYER Train Repair parts

12 Page Catalog Insert : Selected Parts From www.TrainRepairParts.com

See Our Hobby Tool Pages
For Great Values On Tools
For Your Work Shop

We carry over 4,500 original and reproduction train repair parts for O gauge Lionel and S gauge American Flyer trains. We are committed to providing you the best service and most complete selection of Lionel & American Flyer repair parts possible. On our website we offer wholesale / quantity pricing on selected parts, also see our website for updated parts listings. Our complete repair parts listing is available for you to review and download for free. Check and see what is in stock as your order. Use our safe and secure shopping cart to easily order the parts you need over the internet. Visit our web site www.TrainRepairParts.com

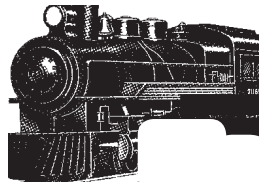

On the following 12 pages we list a selection of our best selling and exclusive parts. You will see approximately TWICE AS MANY parts for sale in the complete selection on our website.

To make it easy to order the correct parts we use the original part number for each part we list. You will find these part numbers in the "exploded view" for the piece you are repairing. Just consult the appropriate repair manual. (See Collectors Guides & Service Manual page in this catalog.)

If you do not have access to our website you can obtain our parts catalog listing for free by requesting one with your order or by sending \$6.00 handing with your request to:
Hobby Surplus, 287 Main Street, New Britain CT 06051
